Entrepreneurship Development Details

Entrepreneurship is the overall process of developing, launching and running a business. The students have different aspirations and visions for the kind of businesses they want to create. PCCOER Entrepreneurship Cell provided the platform to learn the various aspects to become a successful entrepreneur, by organizing various workshop/expert talks etc. It encourages students having new ideas and inventions that they turn into business ventures. The aim is to change the way people live for the better, making their products and services stand out from the rest on the market.

EDC cell organized number of sessions and workshop on entrepreneurship development activities. The outcome of these activities are by the academic year 2021-22 PCCOER students become entrepreneur total 13 from civil engineering, 10 from mechanical engineering, 3 from electronics & Telecommunication and 1 from computer engineering department.
