Research & Development Cell: Committee Members (AY 2022-23)

Research and Development (R&D) Cell has a aim to nurture **Research Culture** in PCCOE&R by motivating students and faculties to undertake research project in newly emerging and challenging frontier areas of the Engineering, Technology, Science, Humanities and even the areas including multidisciplinary fields. This enhances the general research capability of up-and-coming technocrats by publishing their research work in quality journals and presenting their work in conferences, seminars, workshops, project competition, etc.
